Dear Mr. Deneys,

Please find my check enclosed in the amount of \$1,304.65 on behalf of SOCNET.

SOCNET is a discussion bulletin board that is heavily populated by special operations soldiers of past and present. This particular financial collection was undertaken in our AUTHORIZED PERSONNEL ONLY area, which is a password-protected area in which each of the members is vetted for prerequisite credentials prior to admittance. This collection was taken up over a six-week period. Many donors have served in the military in a SOCOM-related unit.

While this check is drawn on my personal account, please know that I simply served as a collection point for 26 donors to your organization. It was felt by this group that it was a worthy cause, and we are proud to support it. We trust you will put our donation to good use.

With this donation, we also issue a rallying cry to any other military, firearm, patriotic, or otherwise interested website discussion community to match or beat our donation. Feel free to circulate this letter as documentation of our public challenge.

Warm regards to you and what your organization does for our brothers-at-arms defending this great country,

Lee Stacey
